PETITION FOR RESCINDING ADVANCED STANDING

INSTRUCTIONS: 1) Discuss your options with your adviser(s) and complete the information below. 2) Discuss your petition with the Assistant Dean for Undergraduate Education (University Hall 1st Floor North, 495-4245), and get signature. 3) Return form to your Allston Burr Senior Tutor and discuss your petition with him or her.

NAME: _____ **HOUSE:** _____

To the Administrative Board:

I petition for rescission of the Advanced Standing that I was offered and accepted in my first year.

I understand that if my petition is granted by the Administrative Board I will give up the 4.0 courses of credit towards the bachelor's degree that I was granted when I accepted Advanced Standing. I also understand that this decision is final and that I may not at any time in the future reclaim Advanced Standing. Finally, I understand that I may neither compete for nor win more than once any prize, fellowship, internship, etc., the eligibility for which is linked to a specific class standing.

My reasons for making this petition are summarized here:
