

## David Hilbert

The goal of the presentation is to discuss David Hilbert. Your presentation should include at least

- A discussion his life.
- A discussion what the Hilbert Program was
- A discussion of what the Hilbert Problem are.
- A discussion of at least one of the Hilbert Problems (of your choice)

In addition you should include at least one thing not on the above list

At the end of your presentation the class will be asked one of the following questions.

- What country was Hilbert from?
- How many Hilbert Problems are there?
- What was the goal of the Hilbert Program?

A good starting point for your research is
