

Zeno's Paradoxes

The goal of the presentation is to discuss Zeno's Paradoxes. Your presentation should include at least

- A discussion of who Zeno was.
- A discussion of Zeno's three paradoxes, including a discussion of what they are and how they are resolved.

In addition you should include at least one thing not on the above list

At the end of your presentation the class will be asked one of the following questions.

- How many paradoxes did Zeno propose?
- What century was Zeno born in?
- What type of animal was in the paradox with Achilles?

A good starting point for your research is

http://en.wikipedia.org/wiki/Zeno%27s_paradoxes

If you have any questions regarding the presentation feel free to e-mail your TA or Dr. Ackerman
