

John von Neumann

The goal of the presentation is to discuss John von Neumann. Your presentation should include at least

- A discussion of his role in the development of the atomic bomb.
- A discussion of his contributions to economics
- A discussion of his political views.
- A discussion his ideas on self-replicating robots.

In addition you should include at least one thing not on the above list

At the end of your presentation the class will be asked one of the following questions.

- What institute in New Jersey was he one of the first faculty members of?
- What did von Neumann die of?
- What country was von Neumann born in?

A good starting point for your research is

http://en.wikipedia.org/wiki/John_von_Neumann

If you have any questions regarding the presentation feel free to e-mail your TA or Dr. Ackerman
