

Bertrand Russell

The goal of the presentation is to discuss Blaise. Your presentation should include at least

- A discussion of who he.
- A discussion of Russell's Paradox
- A discussion of the Principia Mathematica.

In addition you should include at least one thing not on the above list

At the end of your presentation the class will be asked one of the following questions.

- Other than mathematics what field is he best known for?
- What country did Bertrand Russell live in?
- What was he awarded a Nobel prize for?

A good starting point for your research is

http://en.wikipedia.org/wiki/Bertrand_Russell

If you have any questions regarding the presentation feel free to e-mail your TA or Dr. Ackerman
